Lifetime Achievement Award

Photo: GMK

At the 2006 APHA Championships Presentation Dinner we were excited to receive this prestigious award for our horse, "Fassafern Golden Jarrah".

Max is in very good company, maybe even elevated to "legend" status considering past recipients Uhavta Northern Expression, Lorient First Lady, Oro Superbrat, Moorella Montana Mac just to name a few. We believe he may be the only gelding in Victoria to ever receive this award. It has taken us 10 years, a lot of kilometres and a bank of money to achieve, it but it's been a great journey.

Thanks to those members who competed against us in the show ring, to Lola for counting the cards and answering the phone calls and emails checking how many points we had to go. A special thanks to the APHA for making this award available to its members.

Max is now enjoying a well-earned retirement and his trophy sits proudly in the display cabinet next to the Opal Award we achieved with another of our horses, Fassafern Mezquite in 1990.
